Building Confidence

that Empowers You to Make A Difference

Discovery Verse

Matthew 6:33 NIV

"But seek first his kingdom and his righteousness, and all these things will be given to you as well."

Grow Your Grit

As women we all struggle being confident in who we are made to be.

Embrace God's Grace

God gives each of us unique gifts to use for His purpose.

Discovery Quote

"We are difference makers. We are change makers. And whatever it takes, the Holy Spirit inside of us can empower us to go get it."

~Lynn Cowell

Digging Deeper

1. What areas of your life do you struggle with confidence?

2. Does your overall confidence depend on how things are going in certain areas of your life?

3. How can we embrace our "gifts" and use them as something given to us so we can bring others to know Christ?

4. How can Lynn's view of failure help us move forward with less fear?

5. When we feel God calling us to use our gifts, how can we move forward with confidence?

Discovery Prayer

Dear Jesus,
Thank you for the unique way you create each of us.
Help us to value our gifts and not be distracted by comparison.
Amen.
